Proceedings of the Madras Government, Public Works Department,
10th April 1869.

No. 268. Read the following letter from the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 17th March 1869, No. 237 :—

I have the honour to apply for authority for my bills for pay and allowances of the current month to be made payable by the Executive Engineer, Southern Range, Madras, to my Agents Messrs. Arbuthnot & Co. I make this application because, to embark on the second P. and O. steamer of April, I shall have to leave this station before the audited bills could be returned to me here, and I shall probably have only a day or two in Madras, perhaps only a few hours before embarking for England.
